RE: F.O.B. Price changes

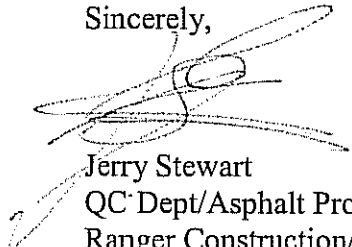

To our valued customers,

Due to current market economics, we are forced to move our asphalt prices upward at both our asphalt facilities. In an effort to keep you, our customer, competitive and thereby help us to maintain a share of this ever shrinking market, we have maintained our current pricing since the middle of last year. Unfortunately, continuing increases in material costs dictate that we increase our FOB asphalt prices at this time. Please find the attached new FOB prices, for our DeBary and Winter Garden facilities, effective 03/05/10.

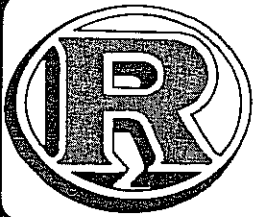

We will continue to strive to keep our quality high and our prices as low as possible.

We appreciate your business and look forward to serving you in the very near future.

Sincerely,

Jerry Stewart
QC Dept/Asphalt Production Manager
Ranger Construction/North Division
